MANAGING DIRECTOR'S NOTE

**Dear Students.
Greetings!!!**

Global Institute, A Group of Institution) is established in the year 2018 at private sector under the sponsorship of Hazi Mafiz uddin Ahmed Educational Trust Educational Trust, Uttar Athiabari with a view to impart quality education among the present and upcoming young generation to the height of perfection in all aspects of human life in a fast developing world.

To come forward and help us in reaching the goal, since the Institute will live long only among you through its performance and outcome.

I warmly welcome you and invite you to visit and explore our, Global Institute at Uttar Athiabari, Barpeta Road campus to have a feel of our flourishing academic environment. Pharmacy is one of the most trusted and noble profession and remains one of the most attractive fields in the Science and Technology. Pharmacy is a multidisciplinary course comprising of the application of chemistry, biology, mathematics, statistics, computer applications, biochemistry, molecular biology, cell biology, chemical engineering, etc. Over the last few years due to phenomenal growth and advancement of science and technology, the field of pharmacy and drug discovery program have considerably changed and developed in this ever changing and ever advancing environment in the knowledge of Pharmaceutical Science and Technology. We in this organization teach our students with the latest and up to date knowledge in the various subject areas in Pharmacy. Today pharmacist is working as one of the most important member in most of the health care system and pharmaceutical industry and also they have a key role in the development of the Pharmaceutical Legislatives and Forensic Pharmacy, which involve the drug regulatory affairs, pricing policy. Drug Technical Advisor Board, and other government affairs in the country.

We provide the best quality education to the students. The college has well-equipped laboratories and excellent infrastructure to make the students acquire knowledge that would help them to face the global competition. Our classrooms are well equipped with projector systems so that our faculty members can make use of the latest audio-visual mode of teaching. The modern state-of-art laboratories, instrumentation facilities, and central library facility in this organization are among one of the best in the region.

The success of the Institute depends upon the collective efforts, co-operation and concerted action of the council, the guardians, the teachers, and the learners.

1, on behalf of the Institute appeal all to come forward and help us in reaching the goal, since the Institute will live long only among you through its performance and outcome.

With regards.

Asrab Ali

MESSAGE FROM THE PRINCIPAL

Pharmacy stands as a flexible and ever-evolving profession that continues to grow and diversify, offering numerous avenues for service. It's a longstanding field that has adapted to the changing landscape of global healthcare. Thanks to the rapid advancements in the pharmaceutical industry, the healthcare sector now presents a plethora of opportunities for Pharmacy Professionals. Pharmacists can be found working in a wide array of healthcare environments, including pharmaceutical companies, hospitals, community practices, academia, regulatory agencies, and clinical research. They are highly trusted, compassionate, and knowledgeable healthcare experts who play a crucial role in assisting individuals in achieving the best possible results from their medications. Pharmacists offer guidance on nearly all aspects of medication use, contributing significantly to the maintenance of people's health.

Society's progress hinges on the growth of human resources nurtured by educational institutions. Our institution's mission is to equip students for the future, offering not just knowledge but also comprehensive personal development through training.

Global Institute of Pharmacy, Barpeta Road have set their leadership role in Pharmacy Education and Research. To carry forward the legacy, the management of Global institute of pharmacy has established the College of Pharmacy at Athiabari, Barpeta to cater to the needs of students of the north east part of India.

With regards.
